

# ★ NATIONAL HARBOR ★

Situated on the banks of the historic Potomac River and just minutes from the nation's capital, National Harbor is a waterfront resort destination unlike any other. National Harbor is home to two of Maryland's Four Diamond rated hotels—Gaylord National Resort and Convention Center, the East Coast's largest non-gaming hotel and convention center and MGM National Harbor, an integrated luxury casino resort. The vibrant Waterfront District features boutique shops, restaurants (from fine dining to fast casual), and entertainment options along picturesque promenades. The iconic Capital Wheel, a 180-ft observation wheel, Tanger Outlets' more than 85 premium brands, and a robust calendar of events round out this destination that welcomes more than 12 million visitors a year.

## ACCESSIBILITY

Minutes away from all three area airports (DCA, BWI, IAD), National Harbor is directly accessible via the Woodrow Wilson Bridge, the Capital Beltway, I-95, I-495 and I-295. A central destination, National Harbor is 15 minutes away from Downtown D.C., Old Town Alexandria and Mount Vernon.
